Co-owner Ken Withrow spent 20 years working for famed hotelier Ian Schrager, and the in-town inn he runs with his wife, Deborah, puts that pedigree on full display, from staffers trained to remember your name and wine preference to guest rooms featuring Frette bedding and free, strong WiFi. It's also the only island B & B to offer made-to-order breakfasts, though individual tables mean you needn't get chummy with fellow guests.
