| Amenities | Wi-Fi (free) |
| Units | 12 units, 1 with tub/shower combination, 11 with shower only |
| Web site | Union Street Inn |

The Union Street Inn is a B&B that acts like a hotel, with refinements that bring it several notches above the usual “mom and pop” operation. The entire inn has been recently renovated in a combination of bright and rich colors, with luxurious wallpapers and wood paneling. This is the only Nantucket B&B to serve a full breakfast (it’s a zoning thing), and there are fresh cookies in the afternoon.
