Resorts and mega-hotels certainly have their perks, but few stays can feel as personal or as cozy as one at a quaint bed-and-breakfast. While the level of luxury and service can vary greatly from one B&B to another (some claim the status simply by offering free bagels each morning), we've had the good fortune of holing up in some particularly charming bed-and-breakfasts across the states. From romantic rooms that maintain the property's historic flair to absolutely glorious breakfast buffet spreads, these twelve bed-and-breakfasts offer the very best in the U.S.

### Union Street Inn

Nantucket, Massachusetts, United States

This charming, elegant B&B fits in nicely with the [Nantucket](#) atmosphere, and is one of the only inns on the island that provides a full, hot breakfast -- and a beautiful one, at that. The rooms don't come cheap, but then again, nothing on Nantucket does. And the fact that downtown is a mere three-minute walk may make it worth the price for some. Other perks include elegant decor and up-to-date amenities.
