THE	CAPE	&	ISLANDS

Since 1993, *Cape Cod LIFE* has dedicated the pages of our June issue to answering one enduring question: Where can you find the best? And every year since, we have been humbled by the response from our readership. After much tallying and tabulating, here are the results: the best restaurants, the best shops and boutiques, the best places to buy a special gift, and the best places to enjoy the natural gifts given to all of us on the Cape and Islands.

We're glad so many of our readers shared their favorites with us and made their voices heard. After all, when you're surrounded by the best, what's the point in keeping it a secret?
